

Welcome Back! By entering our facility, you are agreeing to these and other posted changes.

What to expect in Phase 3: MEMBERSHIP

- 1.) Wear a mask in all common areas, you may remove your mask while you work out, as long as you maintain 6 feet of space between you and others.
- 2.) There is a limit to the number of people allowed in lobby and the facility. The staff will let you know if there is room for you, or if you will need to wait. Please stand on the green lines that are 6 feet apart.
- 3.) If you canceled your membership, or put it on hold during the shut-down. You will have to reactivate your membership before entering the facility. This includes authorizing payment and signing a waiver. Please be patient with the staff, this will take some time.
- 4.) If you did not cancel your membership (THANK YOU - YOU ARE THE REASON WE ARE ABLE TO REOPEN) all you have to do is sign our waiver with an addition of COVID-19 information, and scan in. The staff will let you know if the area you want is full.
- 5.) You may pick up your own clean spray bottle and towel, if needed, and return it to the front desk after you are done working out, so it can be disinfected for someone else. Please clean what you touch, and feel free to clean before you touch for extra protection.
- 6.) Please limit your workout to an hour in each area. You can certainly have an hour in the fitness area, and then the aquatics area if desired.
- 7.) Drinking fountains are not available. Please bring a water bottle, and refill at the water bottle filling stations, located in the lobby and near the back stairs beside the weight room.
- 8.) **UNAVAILABLE IN PHASE 3:** Away members, guest passes, day passes, pickleball, basketball, open swim, water fitness classes, some group exercise classes, child watch (Rainbow Corner), racquetball, 24/7, and group swimming lessons are unavailable in Phase 3.
- 9.) No unattended children under 15 are allowed in at this time. Since there is no basketball or open swim, there is nothing for unattended children to do. We will reopen the drop-in childwatch (Rainbow Corner) when staffing and restrictions allow.

These policies are subject to change if the Governor's office, the CDC, health officials, or the YMCA of the USA change the restrictions.
