Kids 9 through 12 who are unattended will only be allowed in certain staff supervised areas of the YMCA, such as open swim or the Game Room for a total of 3 hours. GROWING STRONG

Rainbow Corner

One of the most valuable services the YMCA of Southwest Washington provides is free child watch to members. This is for children ages 6 months to 9 years old. You may bring your children to Rainbow Corner for up to 2 hours while you exercise or participate in programs within the building.

Rainbow Corner Guidelines

- Toddlers who are potty-training must be appropriately dressed with pull-ups or underwear. If a child needs help, staff will locate the parent to assist. Rainbow Corner staff are not responsible for potty-training or changing diapers and soiled clothing.
- Security items such as pacifiers or blankets are OK for infants. Please do not bring toys or personal items from home.
- Parents may provide pre-made bottles for infants. Bottles must be labeled and stored out of reach from other children. If able, staff will hold and feed infants.
- Occasionally, children in Rainbow Corner become upset. Staff will try holding, soothing, and entertaining upset children. If they are unable to soothe an upset child, they will contact the parent, to address the child's needs.
- To reduce the spread of germs we request that children wash their hands upon entering Rainbow Corner.
- No Peanut Butter snacks, please bring snacks in a sealed container with child's name on it.

OUR GOAL IS TO HELP YOU REACH YOURS

While you're improving your life, help others grow strong too. We ask you to follow the Y Code of Conduct and exhibit the values of caring, honesty, respect and responsibility while you're here.

1. Get an orientation. We believe that the more you know about our fitness center, the more likely you are to enjoy your exercise experience. In a fitness appointment, knowledgeable staff will teach you how to use equipment correctly and safely. We'll help put your goals in motion with a personalized fitness plan to motivate and inspire you.

2. Just ask. We're here to help!

3. If there's a problem with any of the equipment or the facility, please let a staff person know. **If there's an incident or accident,** contact a staff person immediately.

4. Be safe. Wear appropriate clothing and footwear. (Open-toed shoes or jeans are not allowed.) Have a spotter help you with free weights. Warm up before and cool down after exercise. Make sure you've had enough to eat and drink before exercising to prevent dizziness or light-headedness. If you are experiencing dizziness, pain or unusual discomfort at any time, stop the exercise and ask staff for help.

5. Help us keep the Y clean. Wipe off equipment after each use. Return all equipment when finished with it. Take your personal items with you. Remove the plates from lifting bars when you're done.

6. Give others a turn. The equipment is here for everyone to use. Please respect the 30-minute time limit on cardio equipment if others are waiting.

7. Storing your stuff. Please lock your valuables up in a locker or check them in at the front desk.

8. Youth are welcome in the fitness center age 9-14 while under adult supervision and limited to nautilus and cardio sections of the weight room. 15 years and older have full access.

9. Get personal. Personal trainers are available. Ask a staff person for more information.

10. Hang it up. For your safety and in consideration for others, please refrain from cell phone use while in the fitness center.

Guest Passes

Guests Passes are given to guests wanting to use the facility with a member that is present. Each person has three guest passes a lifetime. Photo I.D. is required for everyone over age of 16.

Nation Wide Membership

The Y-USA is launching nationwide reciprocity so that your YMCA membership will provide access to almost every other YMCA in the country. The requirements include that your home YMCA is the facility closest to your residence, and you use your home facility more than 50 % of the time. This is a great benefit for people who travel. However, if you plan to use another YMCA as part of an extended stay (more than 28 consecutive days), you may be asked to put your home YMCA membership on hold and join that other YMCA. It is recommended that you check with the YMCA you want to visit in advance to see if there are any restrictions.

Supervision of children / youth access to the YMCA

For everyone's safety, children under 9 years of age must be accompanied by an adult in the facility. There is a 3-hour maximum for unattended youth 9-14, and they must be engaged in an appropriate activity. Unattended youth (members and nonmembers) will not be allowed in the YMCA until 1 p.m., when youth activities start. Visits to the YMCA and YMCA activities are not intended to substitute for all-day child care. We do offer an all-day summer camp, and pre-registration is required. The YMCA reserves the right to deny access to individuals who abuse this privilege. It is our policy to notify the police if minors under 17 are left at the YMCA after closing.

Children under 9 years of age and 52 inches in height must be accompanied by an adult in water at all times during open swims.

Youth ages 9 to 14 are welcome to use the weight room under parental supervision, but are limited to Nautilus and cardio sections, not free weights. Youth 15 and older have full access and can sign up for an orientation.

Day Pass Usage

To better serve our members, the YMCA reserves the right to not sell day-use passes when the YMCA is at or near capacity. Our swimming pools and gyms often reach capacity when the weather is nice. Please be aware that we will have to refuse to sell day-use passes if we are at or near capacity.

Youth Day Passes are only sold to unattended youth 12 and over who have a youth waiver signed by parent or guardian on file.

Even if you called to check the schedule, we may be busier when you arrive than we were when you called.

The YMCA is not set up to accommodate groups without prior arrangement. This includes any group of 10 or more.

TOGETHER WE CAN DO SO MUCH MORE

Annual Campaign

At the Y, strengthening community is our cause. We know when we work together, we move more individuals, families and communities forward. Every day, Y staff, volunteers, members, friends and community partners work side-by-side to tackle the important issues impacting our area. What if more people joined our cause? Imagine what Southwest Washington would be like if....

- More Kids had a safe place to go to learn, laugh, and play.
- More people had the guidance and tools to lead healthier, more balanced lives.
- More of our neighbors could access the support needed to create a better future for themselves.

Together, we can make this a reality for Southwest Washington. Our community faces challenges, but we see possibilities rather than obstacles because of committed Y friends and generous donors like you.

Give Today

We have an extraordinary opportunity to ensure a brighter future for Southwest Washington, but we need your help. Your gift to the YMCA of Southwest Washington will have a lasting impact in the community by helping us to reach more people through life-changing programs and services.
