### Important Pool Information

Swimmers should be at least 9 years of age and at least 52" tall to swim in the Activity Pool alone. All children under 9 years, and/or under 52" tall must be accompanied by an adult in the water. The ratio for children under 9, or non-swimmers is 2 children per 1 adult. Exceptions may be made at the lifeguard's discretion.

All Swimmers need to wear a swimsuit, or clothing that is made of polyester, nylon, lycra, or spandex. Cotton and denim are not allowed because it clogs the filters.

**Please follow the directions of the lifeguard at all times. The lifeguard is there to prevent accidents and injuries. If you disagree with a lifeguard please follow their direction anyway, and speak with the Aquatics Director about your concern.**

# AQUATICS

The lifeguards are on duty to ensure patron safety and prevent accidents from happening. All guest and members must follow the direction of the lifeguards and the posted rules at all times. If you disagree with the lifeguard, please follow their instructions and discuss your concerns with the Aquatics Director.

## Appropriate Swimwear

All swimmers must wear appropriate swim wear. Swimsuit required, no cotton or denim allowed. Swim diapers are required for those who need them. Showers are required for everyone, prior to entering the pool. No street shoes are to be worn on the pool deck.

## Diaper Policy

Only swim diapers may be worn into the pool. Disposable diapers will not be allowed. Swim diapers may be available to purchase from the front desk in a variety of sizes ranging from infants to adults. The cost ranges from \$1 or \$2, depending on size.

## Fragrance Free Zone

Many of our members have a sensitivity to fragrances that are found in perfume, hair spray, body spray, and other products. Because of the humid air in the aquatics area, it is especially hard in the swimming pools. Please remember to shower off before entering any of our pools, and take care to remove traces of products with fragrances. Also, please don't apply these products in any of the locker rooms at the YMCA. Thank you for your consideration of other members.

## Recreational Swim Programs

### Open Swim

Open to all members and guests. Children under 9 years and/or under 52" in height must be accompanied by an adult in the water at all times and must be kept within arm's reach, even if they are wearing a life jacket. Exceptions may be made for children who can pass a swim test. Swim test administered at beginning of open swim only.

### Family Swim

These are recreational swims for families only. Defined as children 17 & under with a parent, grandparent, guardian, or sibling 21 years or older in the water at all times.

**For safety we ask that you limit non-swimmers to 2 per adult. Non-swimmers are considered anyone who is not able to swim on their own, including those wearing life jackets. Exceptions may be made at the lifeguard's discretion.**

**We do not allow the use of inflatable toys in any of our pools. Members and guest may bring a USGS approved lifejacket, or there are some available to borrow. All other toy use is allowed with lifeguard permission. The lifeguard can revoke those privileges if they see the toy becoming unsafe or disrupting other members.**

# OUR GOAL IS TO HELP YOU REACH YOUR FITNESS GOAL

While you're improving your life, help others grow strong too. We ask you to follow the Y Code of Conduct and exhibit the values of caring, honesty, respect and responsibility while you're here.

## 1. Get an orientation.

We believe that the more you know about our fitness center, the more likely you are to enjoy your exercise experience. In a fitness appointment, knowledgeable staff will teach you how to use equipment correctly and safely. We'll help put your goals in motion with a personalized fitness plan to motivate and inspire you.

## 2. Just ask.

We're here to help!

**3. If there's a problem with any of the equipment or the facility, please let a staff person know. If there's an incident or accident, contact a staff person immediately.**

4. Be safe. Wear appropriate clothing and athletic footwear. (Open-toed shoes or jeans are not allowed.) Have a spotter help you with free weights. Warm up before and cool down after exercise. Make sure you've had enough to eat and drink before exercising to prevent dizziness or light-headedness. If you are experiencing dizziness, pain or unusual discomfort at any time, stop the exercise and ask staff for help.

5. Help us keep the Y clean. Wipe off equipment after each use. Return equipment after use. Take your personal items with you. Remove the plates from lifting bars when you're done.

6. Give others a turn. The equipment is here for everyone to use. Please respect the 30-minute time limit on cardio equipment if others are waiting. Allow others to "work in" on weight equipment.

7. Storing your stuff. Please lock your valuables up in a locker.

8. Youth are welcome in the fitness center age 9-14 while under adult supervision and limited to nautilus and cardio sections of the weight room. 15 years and older have full access.

# BUILD OUR COMMUNITY

## Dee Bandy Massage Therapy at the YMCA

Dee Bandy offers pressure point therapy and Swedish massage for therapy or relaxation. She is able to use a variety of techniques tailored to meet each client's need. Dee is certified with the American Massage Therapy Association and has offered massage therapy at the YMCA over 30 years. Call for rates. By appointment only, 360-423-4770.

## Guest Passes

Guest Passes are given to guests wanting to use the facility with a member that is present. Each person has three guest passes per year. Photo I.D. is required for everyone over age of 16.

## Nation Wide Membership

The Y-USA is launching nationwide reciprocity so that your YMCA membership will provide access to almost every other YMCA in the country. The requirements include that your home YMCA is the facility closest to your residence, and you use your home facility more than 50 % of the time. This is a great benefit for people who travel. However, if you plan to use another YMCA as part of an extended stay (more than 28 consecutive days), you may be asked to put your home YMCA membership on hold and join that other YMCA. It is recommended that you check with the YMCA you want to visit in advance to see if there are any restrictions.

## Supervision of children / youth access to the YMCA

For everyone's safety, children under 9 years of age must be accompanied by an adult in the facility. There is a 3-hour maximum for unattended youth 9-14, and they must be engaged in an appropriate activity.

Unattended youth (members and nonmembers) will not be allowed in the YMCA until 1 p.m., when youth activities start. Visits to the YMCA and YMCA activities are not intended to substitute for all-day child care.

We do offer an all-day summer camp, and pre-registration is required. The YMCA

reserves the right to deny access to individuals who abuse this privilege. It is our policy to notify the police if minors under 17 are left at the YMCA after closing.

Children under 9 years of age and 52 inches in height must be accompanied by an adult in water at all times during open swims.

Youth ages 9 to 14 are welcome to use the weight room under parental supervision, but are limited to Nautilus and cardio sections, not free weights. Youth 15 and older have full access and can sign up for an orientation.

## Day Pass Usage

To better serve our members, the YMCA reserves the right to not sell day-use passes when the YMCA is at or near capacity. Our swimming pools and gyms often reach capacity when the weather is nice. Please be aware that we will have to refuse to sell day-use passes if we are at or near capacity.

**Youth Day Passes are only sold to unattended youth 12 and over who have a youth waiver signed by parent or guardian on file.**

Even if you called to check the schedule, we may be busier when you arrive than we were when you called.

The YMCA is not set up to accommodate groups without prior arrangement. This includes any group of 10 or more.

# TOGETHER WE CAN DO SO MUCH MORE

## Annual Campaign

At the Y, strengthening community is our cause. We know when we work together, we move more individuals, families and communities forward. Every day, Y staff, volunteers, members, friends and community partners work side-by-side to tackle the important issues impacting our area.

What if more people joined our cause? Imagine what Southwest Washington would be like if....

- More Kids had a safe place to go to learn, laugh, and play.
- More people had the guidance and tools to lead healthier, more balanced lives.
- More of our neighbors could access the support needed to create a better future for themselves.

Together, we can make this a reality for Southwest Washington. Our community faces challenges, but we see possibilities rather than obstacles because of committed Y friends and generous donors like you.

## Give Today

We have an extraordinary opportunity to ensure a brighter future for Southwest Washington, but we need your help. Your gift to the YMCA of Southwest Washington will have a lasting impact in the community by helping us to reach more people through life-changing programs and services.
